The Auxiliary Nurse's Guide-J. C. Stevenson 1993 This handbook accommodates the South African Nursing Council's instructions and guidelines concerning the auxiliary nurse's training and scope of practice. The 11 chapters are split into several units, each unit focusing on a specific procedure or topic. Each unit starts with a statement of its educational aims, making it easier for the auxiliary nurse to carry out her/his tasks and for the educator to evaluate progress. The author cites reference sources at the end of each chapter to assist both the learner and the mentor. Explanatory illustrations accompany the straightforward and clearly written text.

Sincere's Sewing Machine Service Book-William Ewers 1974

Between Two Worlds-Miriam Tlali 2004-02-13 Set in Soweto outside Johannesburg, Between Two Worlds is one of the most important novels of South Africa under apartheid. Originally published under the title Muriel at Metropolitan, the novel was for some years banned (on the grounds of language derogatory to Afrikaners) even as it received worldwide acclaim. It was later issued in the Longman African Writers Series, but has for some years been out of print and unavailable. This Broadview edition includes a new introduction by the author describing the circumstances in which she wrote Between Two Worlds.

Ascent of the A-word-Geoffrey Nunberg 2012 Presents a history of the word "asshole"--from its use by World War II servicemen to express frustration at arrogant superiors to its first use in print by Norman Mailer to George W. Bush's use of the word to describe a journalist.

Make Design Matter-David Carlson 2012-12-25 A pocket guide to meaningful design in seven steps.

Management Accounting-Leslie Eldenburg 2017-12

The Auxiliary Nurse-H. M. Erasmus 2004-03 "The Auxiliary Nurse" covers the entire curriculum for learners preparing to write the South African Nursing Council (SANC) examination. Arranged in learning units, the book uses an outcomes based educational strategy to guide both learners and lecturers to essential information. This richly illustrated text has sections on the history of nursing, anatomy and physiology, basic nursing, food and nutrition, first aid and comprehensive health care, which has a strong emphasis on community nursing.

Stripping Her Defenses-Jessie Lane 2014-11-04 Ex Ops Series: Second Chance Romance with a hint of Suspense He can't change the scars on her body... but fate will give him a second chance to mend the scars he put on her heart. Riley Sullivan and the Ex Ops Team are headed to Miami undercover... as bikers. Following up a lead, the men will perform their investigation acting as members of the Regulators Motorcycle Club with the club's permission. Surrounded by hardcore bikers and investigating missing strippers, Riley finds the last person he ever expected to see again—his ex-wife. Kara Sullivan left the man she loved after a tragic accident cost them their unborn son. After years of therapy, she's come to grips with the loss and has re-emerged from the pain a brand new person. That doesn't mean she's ready to face the man who inadvertently broke her heart, and who she's hurt in return. Riley has never stopped loving her and he never will. He's ready to fix their marriage and move on with their lives, however Kara's reluctance to renew their relationship isn't their only problem. Danger lurks just around the corner... and there's a chance she could disappear permanently. Second book in the Ex Ops Series - but can be read as a stand alone. Warning: Mature themes.

WALK-Jacquie Gering 2016-12-06 Quilters love the look of textural, detailed stitching that adds to the beauty of the quilt top design. This stitching is actually the "quilting" in quilting, and many quilters feel that paying a professional for machine quilting is one of their only options. The walking foot is an accessory for sewing machines that's often used for machine quilting, but many quilters only use it to stitch around their designs. But the walking foot can do so much more, and author Jacquie Gering shows all of her tips, tricks and techniques to master all of the skills needed to quilt with a walking foot. This book covers the basics of using the walking foot, in addition to preparing the quilt, marking, managing large quilts, preventing puckers and keeping lines straight. Chapters will include a variety of types of walking -foot quilting, including channel quilting, matchstick quilting, and decorative stitch quilting. Quilters won't be limited to straight line quilting, either! They'll learn how to quilt spirals, simple curves, and marked curves like braids and clamshells
