The Skinjacker Trilogy-Neal Shusterman 2011-06-14 Not every child who dies goes on to the afterlife. Some are caught halfway between life and death, in a sort of limbo known as Everlost: a shadow of the living world, filled with all the things and places that no longer exist. It’s a magical, yet dangerous place where bands of lost kids run wild and anyone who stands in the same place too long sinks to the center of the Earth. Allie and Nick don't survive the car crash, and end up in Everlost, where coins are more valuable than anyone knows, fortune cookies tell the truth, monsters are real, and the queen of lost souls lives in a once-beloved tower. Nick and Allie have to learn to survive in a world with different rules, and figure out who they can trust--and who they must oppose at all costs. At stake is nothing less than the fate of Everlost and the living world they have left behind. In this gripping trilogy, Neal Shusterman explores questions of life, death, and what just might lie in between.

Downsiders-Neal Shusterman 2012-02-21 Beneath the sewer grates and manholes of the city lies a strange and secret world called the Downside. Every Downsider knows that it's forbidden to go Topside, and most fear a collision of the two worlds. But fourteen-year-old Talon is curious about what goes on above ground, and one day he ventures out in search of medicine for his ailing sister. There he meets Lindsay, who is as curious about Talon's world as he is about hers. When Lindsay visits the Downside for the first time, she marvels at the spirit of the Downsiders, and the way they create works of art from topside "trash," like old subway tokens and forgotten earrings. As awed as she is by the Downside, however, she also questions its origins, and when she finds out that this fantastic world is not all it appears to be, she is determined to tell Talon the truth. Then a construction accident threatens to crush Talon's world, and his loyalty is put to the test. Can the truth save the Downside, or will it destroy an entire civilization? Neal Shusterman takes readers on an amazing journey into a place that's only a few steps away, yet beyond their wildest dreams.

Bruiser-Neal Shusterman 2010-06-29 The New York Times bestselling author of Challenger Deep, Neal Shusterman, delivers a suspenseful, eloquent, and thrilling novel that you won't be able to stop thinking about after you've put it down. Tennyson is not surprised, really, when his family begins to fall apart, or when his twin sister, Brontë, starts dating the misunderstood bully, Brewster (or The Bruiser, as the entire high school calls him). Tennyson is determined to get to the bottom of The Bruiser's reputation, even if it means gearing up for a fight. Brontë, on the other hand, thinks there's something special underneath that tough exterior. And she's right...but neither she nor Tennyson is prepared for the truth of what lies below the surface. Told through Tennyson, Brontë, and Bruiser's points of view, this dark, twisting novel explores friendship, family, and the sacrifices we make for the people we love. Scorpion Shards-Neal Shusterman 2013-05-07 Six teens struggle to discover the source of their strange and horrific abilities in this first book of The Star Shards Chronicles. Dillon has the terrifying power to create massive amounts of destruction with the slightest tweak of his will. Deanna is so consumed by fear, it has become like a black hole, drawing to her the very things that terrify her. Then, when the glare of a supernova sixteen light-years away illuminates the night sky, they have a vision: There are six of them out there, all teenagers, and all suffering from supernatural afflictions that disfigure their bodies and souls. Only by finding one another will the six ever be strong enough to defeat these mysterious forces that, bit by bit, are devouring their souls from the inside out. Acclaimed author Neal Shusterman “combines personal quest, horror, and science fiction into an absorbing exploration of good and evil, guilt, forgiveness and personal responsibility” (VOYA) in this thrilling start to a riveting trilogy. Full Tilt-Neal Shusterman 2012-02-21 Full of roller-coaster twists and turns, Neal Shusterman's page-turner is an Orpheus-like adventure into one boy's psyche. Sixteen-year-old Blake and his younger brother, Quinn, are exact opposites. Blake is the responsible member of the family. He constantly has to keep an eye on the fearless Quinn, whose thrill-seeking sometimes goes too far. But the stakes get higher when Blake has to chase Quinn into a bizarre phantom carnival that traps its customers forever. In order to escape, Blake must survive seven deadly rides by dawn, each of which represents a deep, personal fear--from a carousel of stampeding animals to a hall of mirrors that changes people into their deformed reflections. Blake ultimately has to face up to a horrible secret from his own past to save himself and his brother--that is, if the carnival doesn't claim their souls first!

Tesla's Attic-Neal Shusterman 2014-02-11 After their home burns down, fourteen-year-old Nick, his younger brother, and their father move into a ramshackle Victorian house they've inherited. When Nick opens the door to his attic room, he's hit in the head by a toaster. That's just the beginning of his weird experiences with the old junk stored up there. After getting rid of the odd antiques in a garage sale, Nick befriends some local kids-Mitch, Caitlin, and Vincent-and they discover that all of the objects have extraordinary properties. What's more, Nick figures out that the attic is a strange magnetic vortex, which attracts all sorts of trouble. It's as if the attic itself has an intelligence . . . and a purpose. Ultimately Nick learns that the genius Nikola Tesla placed the items-his last inventions-in the attic as part of a larger plan that he mathematically predicted. Nick and his new friends must retrieve everything that was sold at the garage sale and keep it safe. But the task is fraught with peril-in addition to the dangers inherent in Tesla's mysterious and powerful creations, a secret society of physicists, the Accelerati, is determined to stop Nick and alter destiny to achieve its own devious ends. It's a lot for a guy to handle, especially when he'd much rather fly under the radar as the new kid in town. Fans of intrigue, action, humor, and nonstop surprises are guaranteed a read unlike any other in Tesla's Attic, Book One of the Accelerati Trilogy.

Scythe-Neal Shusterman 2016-11-22 Two teens must learn the “art of killing” in this Printz Honor-winning book, the first in a chilling new series from Neal Shusterman, author of the New York Times bestselling Unwind dystology. A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teens must master the “art” of taking life, knowing that the consequence of failure could mean losing their own. Scythe is the first novel of a thrilling new series by National Book Award-winning author Neal Shusterman in which Citra and Rowan learn that a perfect world comes only with a heavy price.

The Toll-Neal Shusterman 2019-11-05 In the highly anticipated finale to the New York Times bestselling trilogy, dictators, prophets, and tensions rise. In a world that’s conquered death, will humanity finally be torn asunder by the immortal beings it created? Citra and Rowan have disappeared. Endura is gone. It seems like nothing stands between Scythe Goddard and absolute dominion over the world scythedom. With the silence of the Thunderhead and the reverberations of the Great Resonance still shaking the earth to its core, the question remains: Is there anyone left who can stop him? The answer lies in the Tone, the Toll, and the Thunder.

Game Changer-Neal Shusterman 2021-02-09 "A timely, speculative thought experiment in perspective, privilege, and identity." —Kirkus "The conceit behind Shusterman’s latest is truly unique. While it exhibits the author’s usual storytelling aplomb, it also manages to delve into more serious and timely subject matter, such as racism, sexism, and homophobia. Despite these heavy topics, the story still moves at a lively pace and, thanks to a zany sci-fi twist, manages to pack in a few laughs as well." —Booklist All it takes is one hit on the football field, and suddenly Ash’s life doesn’t look quite the way he remembers it. Impossible though it seems, he’s been hit into another dimension—and keeps on bouncing through worlds that are almost-but-not-really his own. The changes start small, but they quickly spiral out of control as Ash slides into universes where he has everything he’s ever wanted, universes where society is stuck in the past...universes where he finds himself looking at life through entirely different eyes. And if he isn’t careful, the world he’s learning to see more clearly could blink out of existence... This high-concept novel from the National Book Award-winning and New York Times-bestselling author of the Arc of a Scythe series tackles the most urgent themes of our time, making this a must-buy for readers who are starting to ask big questions about their own role in the universe.

Dry-Neal Shusterman 2019-09-03 “The authors do not hold back.” —Booklist (starred review) “The palpable desperation that pervades the plot...feels true, giving it a chilling air of inevitability.” —Publishers Weekly (starred review) “The Shustermans challenge readers.” —School Library Journal (starred review) “No one does doom like Neal Shusterman.” —Kirkus Reviews (starred review) When the California drought escalates to catastrophic proportions, one teen is forced to make life and death decisions for her family in this harrowing story of survival from New York Times bestselling author Neal Shusterman and Jarrod Shusterman. The drought—or the Tap-Out, as everyone calls it—has been going on for a while now. Everyone’s lives have become an endless list of don’ts: don’t water the lawn, don’t fill up your pool, don’t take long showers. Until the taps run dry. Suddenly, Alyssa’s quiet suburban street spirals into a warzone of desperation; neighbors and families turned against each other on the hunt for water. And when her parents don’t return and her life—and the life of her brother—is threatened, Alyssa has to make impossible choices if she’s going to survive.

Edison's Alley-Neal Shusterman 2015-02-10 Fourteen-year-old Nick has learned that the strange antiques in his attic bedroom were left there by the eccentric inventor Nikola Tesla. They are pieces of Tesla's Far Range Energy Emitter, capable of transmitting "free energy" to the globe. Some components of the contraption are still missing, but the objects themselves seem to be leading Nick and his friends to their current owners. However, members of the Accelerati, a menacing secret

society of physicists, are on the hunt too, and their brazen leader, Dr. Alan Jorgenson, will stop at nothing to foil Nick and steal the objects. It takes a dangerous build-up of electromagnetic energy in the atmosphere to reverse everyone's fortunes--and lead Nick to his destiny. Readers who enjoyed the strange science, quirky humor, and out-of-this-world plot twists in Tesla's Attic will be captivated by this second book in the electrifying Accelerati Trilogy.

Unsouled-Neal Shusterman 2013-11-07 In the next part of Neal Shusterman's gripping and thought-provoking futuristic thriller, Connor, Lev and Risa continue to uncover shocking secrets about the process of 'Unwinding' and the company, Proactive Citizenry, which created Cam, a teen made completely from parts taken from 'unwound' teens. There are plans to mass produce rewound teens like Cam for military purposes, and below the surface of that potential horror lies a sinister layer of intrigue... Proactive Citizenry has been suppressing technology that could make unwinding completely unnecessary. Will Connor, Lev and Risa ever be able to break free from the fear of Unwinding? Praise for Unwind: "Following in the footsteps of Jonathan Swift, Shusterman uncorks a Modest Proposal of his own..." Booklist "Gripping, brilliantly imagined futuristic thriller... Thunderhead-Neal Shusterman 2019-06-04 “Intelligent and entertaining.” —Kirkus Reviews (starred review) “Even better than the first book.” —School Library Journal (starred review) Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at odds, in the chilling sequel to the Printz Honor Book Scythe from New York Times bestseller Neal Shusterman, author of the Unwind dystology. Humans learn from their mistakes. I cannot. I make no mistakes. The Thunderhead is the perfect ruler of a perfect world, but it has no control over the scythedom. A year has passed since Rowan had gone off grid. Since then, he has become an urban legend, a vigilante snuffing out corrupt scythes in a trial by fire. His story is told in whispers across the continent. As Scythe Anastasia, Citra gleans with compassion and openly challenges the ideals of the “new order.” But when her life is threatened and her methods questioned, it becomes clear that not everyone is open to the change. Old foes and new enemies converge, and as corruption within the Scythedom spreads, Rowan and Citra begin to lose hope. Will the Thunderhead intervene? Or will it simply watch as this perfect world begins to unravel?

What Daddy Did-Neal Shusterman 1991-01-01 A fourteen-year-old living with his grandparents learns his father is to be released from prison after killing his mother and feels apprehensive about renewing the relationship. Based on true events.

UnStrung-Neal Shusterman 2012-07-24 How did Lev Calder move from an unwillingly escaped Tithe to a clapper? In this revealing short story, Neal Shusterman opens a window on Lev’s adventures between the time he left CyFi and showed up at the Graveyard. Pulling elements from Neal Shusterman’s critically acclaimed Unwind and giving hints about what is to come in the riveting sequel, UnWholly, this short story is not to be missed.

The Ultimate Unwind Collection-Neal Shusterman 2016-12-13 Don't miss a moment of the complete New York Times bestselling Unwind dystology from Neal Shusterman, now available as a collectible paperback boxed set. After the Second Civil War, the Bill of Life states that human life may not be touched from the moment of conception until a child reaches the age of thirteen. However, a loophole allows parents to retroactively get rid of a teenager through a process called “unwinding.” Three teens defy the system and run away from their unwinding: Connor, a rebel whose parents have ordered his unwinding; Risa, a ward of the state who is to be unwound due to cost-cutting; and Lev, his parents’ tenth child whose unwinding has been planned since birth as a religious tithing. As their paths intersect and lives hang in the balance, Connor, Risa, and Lev must work together to survive—and they may change the fate of America in the process. This complete boxed set includes paperback editions of Unwind, UnWholly, UnSouled, UnDivided, and Unbound.
